PUBLIC NOTICE

IMPORT TRADE CONTROL

New Delhi, the 6th August 1968

SUBJECT:—Import of (i) 'Fruits' all sorts, excluding coconuts and cashewnuts, fresh and dried, salted or preserved, n.o.s. and excluding Dates—S. No. 21(a)/IV, (ii) Asafoetida (S. No. 31/V), (iii) Cumin Seeds, and Medicinal herbs from Afghanistan during 1968-69 Trade Arrangement period.

No. 163-ITC(PN)/68.—In pursuance of the Trade Arrangement for 1968-69 (1st August, 1968 to 31st July, 1969) between the Government of India and the Royal Afghan Government, the import of:—

- (i) Fresh and dry fruits of Afghan origin, mentioned in Schedule A to Annexure I of this Public Notice, will be allowed to Approved Importers under C.C.P. procedure, within a "quantitative ceiling", as against a "monetary ceiling" in the past;
- (ii) Asafoetida, Cumin Seeds and Medicinal herbs of Afghan origin mentioned in Schedule A will be allowed to Approved Importers under C.C.P. procedure, without any ceiling;

(iii) Hides and Skins of Afghan origin, falling under S. No. 144(a)/IV, will continue to be under Open General Licence No. LXXXIV, *vide* Ministry of Commerce, Import Trade Control Order No. 2/68 dated 20-3-68.

2. Import of commodities covered under the aforesaid items (i) and (ii) will have to be counter-balanced by exports of goods in Schedule B to Annexure I, as indicated in paragraph 18 below. As regards the import of Hides and Skins under item (iii) above, the sale proceeds will be credited to the self-balancing account opened by the Da Afghanistan Bank with the State Bank of India. This account will be utilised by Afghanistan for the purchase of goods and services in India.

3. *Definition of Approved Importers.*—The Approved Importers are those:

(i) who have participated in the Indo-Afghan Trade in those commodities during the four years ending 30th June 1956 and are already registered as such; and

(ii) The Royal Afghan Government's nominee firms registered as "Approved Importers".

4. No Customs Clearance Permit (C.C.P.) will be issued to those "Approved Importers" whose names have been de-registered.

5. *Documents to be furnished with application for CCPs.*—Approved Importers should apply for C.C.Ps. in the prescribed form and manner and indicating *inter-alia* the C.I.F. value of goods, accompanied by the following documents:—

(a) Valid Transit Certificates (five copies) together with invoices and Treasury Receipts. In the case of grapes, exporter's telegrams to the concerned importer, will be accepted. The telegram should bear the number, date, weight in kilograms of the transit certificates as well as c.i.f. value of the goods. The relevant Transit Certificates should be produced to the Customs authorities concerned.

(b) An undertaking on a Stamp Paper to the effect that they will export any or all commodities mentioned in Schedule B to the 1968-69 Trade Arrangement to counter-balance imports in the ratio as mentioned in para 6 by 31st of July, 1969.

6. *Ratio of exports of traditional and non-traditional items in respect of counter-exports.*—It may be mentioned for the information of the trade that not less than 16 per cent of counter-exports to be made to Afghanistan by every importer in payment for imports from Afghanistan, as mentioned in paragraph 18 below, shall be by way of export to Afghanistan of non-traditional items listed in Schedule 'B', i.e. items other than tea, textiles, spices, colr and colr products. The remaining 85 per cent can be utilized for the purchase and export to Afghanistan of any items listed in Schedule 'B' including tea, textiles, spices, colr and colr products.

7. The documents furnished along with the applications should be complete in all respects, which will make for prompt issue of CCPs. All the five copies of the Transit Certificates should bear the Seal and Signature of the Afghan Custom authorities.

8. *Specimen of Transit Certificate.*—A specimen of the prescribed form of the Transit Certificate issued by the Afghan Customs Authorities, is attached in Annexure II. The Transit Certificates will be in two colours—red for fresh fruits and blue-black for dry fruits and other commodities. They will bear, *inter-alia*, the name of the exporter, the name of the importer, description of commodity and weight in kilograms.

9. *Distinctive marks on the Transit Certificates.*—In serialising the Transit Certificates, the Royal Afghan Government will allocate groups of serial numbers to different Customs Control points and would also see that no number in a series is repeated. Further there will be distinctive letters, such as 'K' (Kabul), 'Q' (Qandhar) and 'N' (Nangharhar), to denote the location of the concerned authority of the Ministry of Commerce of the Royal Afghan Government issuing the transit certificates, and also the letters 'B', (Jt. Chief Controller of Imports and Exports, Bombay), 'D' (Jt. Chief Controller of Imports and Exports, (Central

Licensing Area, Delhi), and 'A' (Controller of Imports & Exports, Amritsar), to denote the Customs Control point in India as hitherto but the concerned licensing authority in India. In order that the Transit Certificates for grapes are not unduly delayed with the exporters, the approved importers should ensure that their corresponding exporters send a telegram to them on the very day the Transit Certificate is actually issued, informing the former of the particulars thereof including its number, date, weight of grapes in kilograms and value.

10. *Transit Certificates and their validity.*—The Transit Certificates will indicate the period of validity, which will be five days for fresh fruits and forty days for dry fruits and other commodities. The validity of Transit Certificates is decided with reference to the date of actual issue and not the date of arrival of the goods at the Indian Customs borders. The goods must be cleared from the Afghan Customs Borders within the validity period of the Transit Certificate. The evidence of transit having taken place during the validity period of the Transit Certificate, should be produced to the Customs authorities, else the goods will not be allowed clearance.

11. *Procedure for issue of CCPs and their validity.*—CCPs will be issued (in duplicate) to eligible approved importers up to the quantity, covered by valid Transit Certificates, issued by the Afghan Custom authorities, provided the approved importers have either fulfilled this export obligation in full for the last agreement period by 31st July 1968 or are in a position to do so by the extended date i.e. by 31st August 1968. CCPs may be issued, without reckoning, at every stage, of exports made by the concerned importer. If any importer fails to fulfil his export obligation up to 60 per cent at the end of ten months from the date of commencement of the current Trade Arrangement, i.e. by the 31st May, 1969 no further CCPs will be issued to him. If any consignment is despatched in favour of an approved importer, who is for the time being ineligible for the grant of CCPs, on account of short fall in export performance, the licensing authority may consider issuing of a CCP to another approved importer, nominated by the defaulter, provided the nominee approved importer has fulfilled 60 per cent export obligation of his current imports.

12. The CCP will be valid for 7 days in the case of fresh fruits and 40 days in the case of other goods, from the date of issue of the relevant transit certificate/s covering the goods in question.

NOTE: (Importers of Asafoetida and Cumin Seeds from Afghanistan are required to ensure that the products conform to the prescribed standards under the Prevention of Food Adulteration Rules).

13. *Procedure for operating CCPs & Transit Certificates.*—The CCPs will indicate, *inter-alia*, the weight, number, date of the Transit certificate, as well as the c.i.f. value of the goods. Conversely, the number and date and other particulars of CCPs should also be shown on the relevant Transit Certificates. In the case of grapes, the particulars are to be filled in from the telegram.

14. When delivering the CCP (in duplicate) to the importer for items other than fresh fruits, the appropriate Licensing authority will return all the five copies of the Transit Certificates to the importer. The importer will, in his turn present all the five copies of the Transit Certificates in all cases, along with the CCP, in duplicate, to the Customs authorities at the point of imports of the consignment in India. The Customs authorities will, while clearing the consignment, check and verify the physical correctness of the particulars of the consignment (i.e. name of exporter/importer, description of goods, weight and other particulars) as given in the CCP and the Transit Certificates. In the event of any difference, whether in name, description, or weight, as assessed by the Customs authorities, the copies of the CCP and Transit Certificates will be endorsed accordingly by the Customs authority. Where there is a variation in weight mentioned in the CCP/Transit Certificate and the goods actually received, the Customs authorities will allow clearance of the same without insisting on a prior amendment in the CCP by the licensing authority concerned, provided the variation does not exceed 5 per cent and advise the concerned licensing authority accordingly. This will be subject to the overall ceilings fixed for each item of fresh and dry fruits. In the event of excess being over 5 per cent in weight, mentioned in the Transit Certificate and the CCP, it will be obligatory on the part of the importers to get their CCPs amended on the basis of the revised/additional Transit Certificate. If the importer concerned fails to get his CCPs amended, action will be taken against him under the Customs/I.T.C. rules.

15. *Distribution of CCPs.*—The Custom authorities will send the Customs Purposes copy of CCP to the concerned licensing authority direct and the second copy will, as at present, be handed back to the importer to be forwarded to the Reserve Bank of India, duly stamped and signed.

16. *Distribution of Transit Certificate.*—As regards the distribution of the Transit Certificates, one copy will be retained by the Customs, the second copy forwarded to the Reserve Bank of India, the third to the Royal Afghan Government (through the Office of the Chief Controller of Imports & Exports), the fourth copy to the Indian Embassy in Kabul and the fifth to the licensing authority concerned.

17. *Recording of the value of the goods cleared.*—The value of the goods allowed clearance, as assessed by the Customs, should be recorded by them on the Transit Certificates and CCPs before distribution. This information is essential for determining counter-exports to be made from India to Afghanistan for balancing of the trade.

18. *Method of valuation for Counter exports to Afghanistan.*—The following will be the method of valuation of Afghan goods for determining the value of counter-exports to be made from India to Afghanistan during the current Trade Arrangement period:—

- (i) Afghan goods, whether imported on outright purchase or on consignment basis, should be valued on the basis of invoices accepted by Indian Customs or where no invoices exist, on the basis of the Indian Customs assessed value, as defined in Section 14 of the Indian Customs Act, 1962 (Act 52 of 1962);
- (ii) With regard to imports effected as outright purchases, the value of counter-exports should be equal to the value of imports as determined in the manner indicated in (i) above;
- (iii) To the extent imports take place on consignment basis, the sale proceeds of such goods after deducting all expenses, duties, and taxes will be allowed to be repatriated in the forms of goods covered by Schedule 'B' to Annexure I

19. *Manner of Payment.*—Payments for the goods mentioned in Schedule 'A' to the 1968-69 Trade Arrangement (Annexure I), excluding Hides and Skins, will be made by the importers in accordance with E.P. procedures, prescribed by the Reserve Bank of India.

20. *Penalty for non-fulfilment of export obligation.*—As imports of goods mentioned in Schedule 'A' to the 1968-69 Trade Arrangement (Annexure I), excluding Hides and Skins, are to be balanced by export of goods, in the Schedule 'B' to the said agreement, in the ratio described in paragraph 6, it is obligatory on each individual importer to discharge his export obligation in full by the end of the current trade arrangement i.e. by the 31st July, 1969. Should the importer fail to complete his export obligation within the stipulated date, he is liable to be de-registered from the list of approved importers for such period as the licensing authority may deem fit. A condition to this effect will be imposed on each CCP.

21. *Bank facilities for exporters of Schedule C items.*—The Royal Afghan Government have agreed that letters of credit in U.S. dollars and transferable pound sterling will be opened by the Afghan Banks for import of Schedule 'C' items from India.
